

Unlock Early Literacy Skills and Ignite Accelerated Learning

Ensuring children get the pre-foundational literacy skills needed before they enter kindergarten is made easy with Ignite by Hatch.™ Ignite is the only digital learning solution designed for independent learning for pre- and emerging readers. In as little as 30-minutes a week, preschool and kindergarten children make meaningful progress by engaging with standards-aligned digital experiences that cover all 7 domains of learning, while providing real-time, objective, and actionable data for educators.

Ignite Learning Domain: Literacy

Early Learning and Development Standards	Ignite Subdomains	Ignite Skill Levels	Ignite Skill Descriptors
